Ahmet Selman Karışan resume website: karishanselman.com

ahmetselmankarisan@gmail.com İstanbul/Türkiye

I am an enthusiastic Electrical and Electronics Engineering undergraduate student, always eager to learn new things. I am confident in my ability to work in a team and exchange ideas with my colleagues. In terms of my approach to engineering problems, I believe I can bring a fresh perspective to the teams and companies I work with. At the same time, I am seeking a work environment where I can further develop myself.

EXPERIENCE

12.2024- Present   Otokar- Young Talent Team Member

Within the scope of Otokar Young Talent Programme, I continue to play an active role in the planning, monitoring and coordination of innovative transportation technologies by taking part in Project Management in the field of Electric Vehicles System Engineering. The team does the low voltage software for an EV. We use LogiCad software to do the job.

09.2024- 09.2024   Tübitak UME Summer Intern

I completed a summer internship at TÜBİTAK UME Impedance Laboratory, where I calibrated various devices and components. We also implemented a TDR (Time-Domain Reflectometry) project.

07.2024- 08.2024   Aselsan Radar & Warfare Department Summer Intern

I completed an internship at Aselsan in the Radar and Electronic Warfare Department, specifically in the Algorithm and Scenario Design unit. During my internship, I worked on projects primarily focused on digital signal processing and digital image processing.

08.2023- 09.2023   Türk Telekom Network Management Center Summer Intern

At Türk Telekom Network Management Center, I gained comprehensive knowledge of the devices and protocols used within the network system. I also learned how to handle various issues that arise in network management.

11.2022- 10.2023   Subunit Head of the Model Satellite Team

I serve as the Head of Electronics and Software Subunit for the Teknofest Model Satellite Team, which is part of the Marmara University Aviation and Space Club.

10.2022- 03.2024   IEEE Club Member

I participated in the coordination team for various events and was part of the design team.

EDUCATION

10.2021-07.2025   Faculty of Engineering / Electrical and Electronics Engineering
Marmara University (82.5/100)

COMPETENCIES

Language	Skills	Tools & Technologies
English / C1	Presentation Management Team Work	Python MATLAB Algorithm
